

# Band Concert Reports 2019 / 2020

Concert Band / Symphonic Band / Wind Symphony / Wind Ensemble / Jazz Ensembles

## Students will attend four concerts, one per quarter.

- Report #1 is due end of the 1<sup>st</sup> quarter.
- Report #2 is due end of the 1<sup>st</sup> semester (at the start of the final exam)
- Report #3 is due end of the 3<sup>rd</sup> quarter.
- Report #4 is due end of the 2<sup>nd</sup> semester (at the start of the final exam)

The concerts must be of the same genre as the student's ensemble - jazz attends jazz concerts, concert groups attend wind band concerts. A student in two different ensembles, like jazz, wind ensemble or orchestra, may do one in each genre. Students must attend concerts at high schools, colleges, community groups, honor groups or professional ensembles. NO elementary or middle school concerts are permitted.

## All reports will be:

- Typed in MLA format (MLA Example: <http://owl.english.purdue.edu/owl/resource/747/01/> )
- Two full pages in length to receive full credit

Papers not in this format, or turned in late to [www.turnitin.com](http://www.turnitin.com), will not receive full credit. Plagiarized submissions will receive a zero and be submitted to WHS administration for further consequences.

## In your paper, please write in detail about the following criteria:

- Describe the performing ensemble, venue, conductor, attire, etiquette, professionalism, instrumentation, number of seats, where did you sit, how did the venue sound, etc.
- List the program and discuss interpretation, tone, blend, intonation, musicianship, balance, articulation, tempo, precision, accuracy, and overall performance impression of the selections performed.
- Did you enjoy the performance, why or why not?
- Would you recommend this ensemble to a friend, why or why not?
- **If many songs are performed, write in detail on several you enjoyed and several you did not. In short, write in greater depth about fewer songs, vs. shallow analysis on more songs. You MUST stay for the entire concert.**
- Include a program, ticket or documentation of attendance as proof. The report proof is due on the last day of each quarter.
- Each concert report is worth 100 points towards the quarter and semester grade.
