

# October 2023 INSTRUMENTAL BOOSTER NEWS

## Our Spirit Pack Fundraiser is at 61% of goal

### Help us keep this stellar music program thriving!

We are fortunate that our children can enjoy the excellent quality of music education that Westlake provides. While CVUSD provides a minimal budget for the music program, we - the WHS Instrumental Music Boosters (WHSIMB) - contribute the rest through donations, fundraisers, and community sponsorships.

Your Spirit Pack donation directly benefits students by providing assistant instructors, instruments, music, equipment rental, classroom daily needs and much more.

**Our goal is to raise \$100,000** during this Fall drive. We would love 100% family participation, and will gladly accept whatever amount you are able to contribute. Installments are accepted. We need your support to continue quality of the overall instrumental music program.

Please see if your employer matches donations! THANK YOU!!!

Fall Spirit Pack Goal:  
**\$100,000**

Students are therefore entitled access to educational activities, and to all materials, supplies, equipment and uniforms necessary for the educational activity, without charges or security deposits. There are some narrow fee authorizations in the law, and we ask for and encourage donations to assist us in our effort to continue providing high quality courses and activities, but all donations are strictly voluntary. Please visit the Westlake High School website for more information, and/or contact the principal if you have any questions or concerns.*
