

FALL Spirit Pack Donations!

This year is unique at Westlake. Our program is continuing to recover after COVID and we're continuing to grow under Mr. Karlin's new leadership. The WHSIM board continues to work hard supporting the staff and planning for exciting things to come. We appreciate your support.

Giving Tuesday

This year, Giving Tuesday is on Tuesday, November 28th. Many businesses will double their donation matches on this day. If you haven't yet made your Spirit Pack donation, please consider having your employer match it or a general donation that Tuesday. Remember, your donation directly benefits students by providing assistant instructors, instruments, music, equipment rental, classroom daily needs and much more.

We are proud to serve our band community! THANK YOU for supporting the arts in schools!!!

Food Truck Festival – Event Recap

On behalf of the Food Truck Festival Fundraising Team, we want to thank all the participants, the numerous silent auction donors, the many volunteers, the variety of vendors, and those hardworking students who shared their musical talents to help create a memorable community event. Our silent auction raised over \$7,400! Total proceeds from the event were \$13,683, which is under the amount we were hoping to raise. Our next fundraiser, the Crescendo Challenge is coming soon! We Thank You All for Your Support in our FUNdraising efforts.

Our next fundraiser is the Crescendo Challenge. We are looking for angel donors able to contribute a generous tax-deductible donation, and we "challenge" our community as a whole to match them. We currently have 3 angel donor families generously offering \$2,500 each/ \$7500 total. If you are interested in more information about being an angel donor, please contact: [Rob Robinson](#), WHSIM President.

**California law guarantees students a public education free of charge, including extracurricular activities. Students are therefore entitled access to educational activities, and to all materials, supplies, equipment and uniforms necessary for the educational activity, without charges or security deposits. There are some narrow fee authorizations in the law, and we ask for and encourage donations to assist us in our effort to continue providing high quality courses and activities, but all donations are strictly voluntary. Please visit the Westlake High School website for more information, and/or contact the principal if you have any questions or concerns.*
